

THE HISTORY OF THE SOUTH DAKOTA ADULT EDUCATION ASSOCIATION

A Summary of Available Findings By Howard A. Hovland

After attending several National Adult Education Conferences and recognizing that South Dakota did not have a state adult education association. One such person was Dr. Martha Leypoldt, Professor of Christian Educational Registrar – North American Baptist Seminary, Sioux Falls. She was interested, also, in the Adult Education Movement. Dr. Leypoldt and I had our first meeting in my office at Washington High School – Sioux Falls. At this meeting we identified and listed names of persons and agencies which would possibly be interested in such an organization.

An Organizational meeting of the steering committee was held Oct. 1, 1965 at Washington Senior High School. Dr. Tom Killian, Vice-President for Development – Augustana College, was elected to be temporary chairman of the steering committee.

The steering committee met Nov. 8, 1965 in the conference room at the American Baptist Seminary. Those present were: E.F. Baumheier, Executive Secretary of the Greater Sioux Falls Safety Council; Howard A. Hovland, Supervisor of Adult Education – Sioux Falls Public Schools; Dr. Tom Killian, Vice-President for Development – Augustana College; Paul Lauck, Northwest Bell Telephone Company, Sioux Falls; Dr. Martha Leypoldt, North American Baptist Seminary – Rapid City Public Schools; and Lloyd R. Wilson, District Extension Supervisor – South Dakota State University – Brookings. The first order of business was to elect officers of the steering committee. Officers were: President – Tom Killian and Secretary – Treasurer- Howard Hovland.

Organizational meetings of the steering committee were held on the following dates: Oct. 1 1965, Nov. 8, 1965, Dec. 14, 1965, Jan. 18, 1966 and February 17, 1966, for the purpose of developing the constitution and by-laws after studying established adult education constitution models.

The first South Dakota State Adult Education organizational meeting was held in conjunction with the Missouri Valley Education Assoc. Conference at the Sheraton Cataract Hotel in Sioux Falls, South Dakota on April 22, 1966. The original members were from various agencies, organizations, businesses, industry, and education from throughout South Dakota. Howard Hovland was the local chairman of the Missouri Valley Adult Education Association Conference held April 21 and 22, 1966. Twenty-five people from South Dakota were present for this first meeting. The following officers were elected: President, Howard Hovland; Vice-President, R. Milton Rich, Coordinator of General Extension Services – South Dakota State University – Brookings; Secretary-Treasurer, William Oerline, Rapid City. Two dollar membership fees were collected. The prepared constitution was accepted unanimously.
